

PLEASE JOIN US FOR.....

LUMINARIAS

Sometimes, the best things in life are simple treasures that stand the test of time.

For the 33rd consecutive year, our special neighborhood of Camelback Canyon Estates will be enjoying a wonderful tradition as we experience the collective flicker of over 1800 candles.

Based on an old southwestern custom long ago imported for our enjoyment, we'll once again adorn the streets of our community with *luminarias*. Originally made from small stacks of piñon wood, today's version consists of paper bags and candles, reminiscent of traders along the Santa Fe trail.

On the evening of **Sunday, December 24**, the entire community is encouraged to join as one, coming outside to place your luminarias along the street, creating an amber glow that never disappoints.

Every home within our community will be provided bags & candles. These supplies will be dropped at your doorstep between Dec. 16-21. You will need to provide sand, gravel, etc. to weigh the bags down. To expedite the process, our Home Owners Association has rolled the minimal material cost into our monthly dues.

For this tradition to continue, and to create the most effective display possible, we need every home to participate. If you will not be home on December 24th, please arrange to have a neighbor **set out and light your luminarias no later than 6:00pm**. You can call us if you need help! This is a perfect time to come together as a community. Thank you for participating!

If you would like to volunteer to deliver luminaria supplies, join others in lighting luminarias on Christmas Eve or have any questions, please call or text Marsha Wallace at (201) 615-1741 or Email at marshajwallace@gmail.com
