DESCRIBE PROPOSED TRIMMING
List the type and location of plants that you would like to remove and the reason for the request.
List the type and location of plants that you would like trimmed and the reason for the request.
Describe how you plan to access the common area to do the work
Have you discussed your plans with your neighbors on each side of your home, and immediately behind your property and did you get their approval for your plans?
Attach an image to show the approximate location of the plants you are asking to be trimmed or removed in relation to your lot.
